Hi Marcia - Thanks for working on this

- I took five minutes for a rough re-write of the main paragraph to try and make it sound less bureaucratic and more fun.
- Unless DEQ feels that the reservations are important and want to try and set up a process, I wouldn't suggest doing it. For me, the hassle would likely exceed the benefit.
- Robin and I should be listed as the contacts on all of our communications.

Subject: Draft Calendar notice

Here for your review is the first draft of the calendar notice news release DEQ distributed in 2004.

I have highlighted in yellow information subject to change. If we do the boat rides this year will we do pre-registration?

Who should I list as the contact person/number?[attachment "Portland Harbor Field day 07 news release.doc" deleted by Judy Smith/R10/USEPA/US]
